

Fullerton College Disability Support Services (DSS) Steps to Transition from High School Support Services to DSS

Timeliness is of the utmost importance. Please pay attention to the timelines below or you risk not receiving enrollment priority and not being able to establish DSS services prior to the start of classes.

STEP ONE

Timeline: Apply Now

Apply online for the Summer/Fall semester by clicking on “Apply Now” at www.fullcoll.edu and then following the directions.

A student ID number will be emailed to you within one week of completing the application.

Bring your most recent high school special education documents and/or medical records related to your disability(s) to the DSS office (Room 842), ideally no later than April 15.

Verification documents may include the most recent IEP, testing/psychological/triennial report, speech and language report, audiogram, doctor’s verification, etc.
